

Wimmera Inland Freezing Works

Murtoa Historical Engine Museum

2025 NEW YEARS OPEN DAY
WHEN 15TH FEBRUARY
TIME 11AM - 3PM
WHERE 1468 Wimmera Hwy Murtoa

Call in, see our large range of Restored Historic Engines from times long gone. These massive 1911 Ruston Hornsby, widely known as Dunmunkle Sump Oilers. Sitting on their original pads, are all in perfect working order. Ready for the public to experience these magnificent engines start-up and running.

Learn the history of these local historic engines.
Be amazed at the ingenuity of our early pioneers.

Thankfully brought back to life, by volunteers, thus preserving them for future generations.
